

MDT Björn Roland

## ITI STUDY CLUB GDAŃSK

DYREKTOR ITI STUDY CLUB GDAŃSK:  
LEK. DENT., MSC KRZYSZTOF CHMIELEWSKI

**MDT BJÖRN ROLAND**

### Implant prosthetics - from the planning to the final work.

In modern dentistry its mandatory to plan the final result. In the lecture different aspects from the single central to the full mouth rehabilitation will be discussed. Digital technologies are an important part of it but we have to think about the rules and handcrafting possibilities - and last but not least we have to understand the patients desires and needs.

#### **MDT Björn Roland**

*September 2004 finish of the "Meisterprüfung" Master Exam in Frankfurt. January to March 2005 visit of the Osaka Ceramic Training Center (OCTC) in Osaka/Japan.
